

# Register to Receive Emergency Notifications from Babcock Ranch Residential Association

- **You Must Register to Receive Urgent Notifications from Your HOA**

BABCOCK BULLETIN, MAY 14, 2022 — The Babcock Ranch Residential Association is now using CivicReady to send emergency alerts to our residents and businesses via text, voicemail and email.

We strongly urge you to sign up for the alerts to help protect you, your family and your property when severe weather or other emergency situations arise.

"CivicReady will be our go-to platform when we have urgent information to get out quickly," said Community Manager Luke Kenzik. "We wanted to make sure we had this critical communication tool in place in time for hurricane season, which officially begins June 1."

The system is intended to be used for emergency alerts, as well as non-emergency incidents that may have significant impacts to residents. Emergency Alerts could be related to specific hazards that require some kind of action be taken such as evacuation, shelter in place, boil water orders, etc.

If you wish to subscribe to SMS text messages only, text your zip code to 38276. There is also a mobile app available. The app is not required to receive alerts.
